

Runner BT 600 earphones

SKU: TESPORTEARBT600K

Wireless sport earphones, with hard case, lanyard, integrated microphone, answer/end call buttons and music control

WHY CHOOSE THEM?

Listen to music and answer calls when you train with these **Wireless sports headphones**.

Thanks to the **hard case** with zip included in the package, you can store them once you have finished using them or take them with you well-protected.

TRAIN IN TOTAL COMFORT

Thanks to **Wireless technology**, tangled wires will now be a thing of the past. You can answer calls and listen to music in comfort. The microphone and volume/song control keys are integrated into these sports headphones for extremely practical use. The package also includes three pairs of **silicone earpieces in different sizes**: S, M and L. You can choose your size for unrivalled comfort.

TOP PROTECTION

The Runner BT 600 earphones decline the concept of protection in two ways.

The hard case is ideal for total protection and taking them anywhere. But even when the earphones are in use, safety is guaranteed. In fact, the **IPX5 certification** guarantees protection not only from sweat but also from water splashes.

EASY CHARGING

Inside the package, you will also find a **USB-Micro USB charging cable** to power these sports earphones. Simply plug the Micro USB connector into the dedicated input of the earpiece and the USB connector into a power source to get a full charge in about

two hours.
