

Wireless Clamp circular phone mount

SKU: TESUPROUNDWIR10W

Quick charge 10W wireless circular phone mount with Qi technology and Automatic Detection System, air vent clip

SAFE DRIVING

This is the ideal accessory for recharging your smartphone, viewing maps and taking incoming calls: the **10W tiltable circular mount** is a practical and innovative way to drive safely.

The **clip** enables it to be secured to the air vents of your car. Simply place your device between the adjustable clamps for an optimal view of the display.

INNOVATIVE DRIVING

This clamp is characterised by its **wireless charging** capacity that lets you charge smartphones enabled with this technology by simply placing them on the mount.

The USB - Micro USB cable provided in the pack needs to be used to power the phone mount: insert the Micro USB connector into the relevant input socket and the USB connector into the 12/24 V socket of your car.

The **IQ certification** is issued by the Wireless Power Consortium: this standard indicates chargers that can power devices wirelessly **in complete safety**.

In addition, if you want to take advantage of the quick charge mode and charge your smartphone to 50% in only 30 minutes, simply attach the mount to a **Quick Charge** charger. The Qi technology ensures that this type of device is in fact able to considerably reduce the charging time.

SECURITY FOR YOUR SMARTPHONE

ADS technology (Automatic Detection System) enables this mount to recognise the power needs of the device in order to avoid overheating. This innovative system enables the mount to recharge smartphones like the iPhone X, 8, 8 Plus with powers of 5W and 7.5W.

The Clamp phone mount is a valuable ally for recharging and for exploiting the full potential of your smartphone without distract you from driving.

CHARACTERISTICS:

- Circular phone mount
- Wireless quick charging
- Air vent clip for attaching mount
- Adjustable clamps for smartphones
- 360° rotation
- Qi technology
- ADS technology (Automatic Detection System)
- Power: 10W
- Transmission distance: 3-8 mm
- USB – Micro USB charging cable included

Wireless Clamp circular phone mount
SKU: TESUPROUNDWIR10W

Technical data

Coupling: Adjustable vices
Rotation: 360°
Coupling mode: Clip for air vent
Recharging cable: USB/Micro-USB
Transmission distance: 3-8 mm
Input: 9V/1.67A - 2A
Output: 5V/1A, 9V/1.1A
Technology: ADS (Automatic Detection System), Qi technology
Charging type: Fast charge with Quick Charge charger
Finishing/Feature: Circular phone mount
Included accessories: Charging cable
EAN: 8018417255397
SKU: TESUPROUNDWIR10W
Weight: 90 g
Maximum output power: 10 WATT
