

## 20W wall charger

SKU: TETRPD18W

### 1 x USB-A + 1 x USB-c PD 20W battery charger

#### CHARGE ANYWHERE

The **20W Power Delivery battery charger** is excellent for charging your devices rapidly and easily. At home, at a hotel or on the train: wherever you are, you can count on your devices always being charged.

#### 20W ULTRA FAST

Plug this charger into a wall socket using the European plug. The **USB-C port** uses Power Delivery technology: the system allows you to charge your iPhone or any other smartphone, tablet or iPad compatible with the PD protocol extremely quickly. **The 20W power** allows for ultra fast and safe charging that will get your smartphone battery up to 100% in just 45 minutes and your tablet in 90 minutes.\*

#### USB FAST CHARGE

If you plug your device's cable into the green **18W USB-A port**, you'll benefit from **Adaptive Fast Charge technology**. In this way, your smartphone or tablet will be charged not only quickly, but also safely, avoiding overheating and short circuits. Your device's battery is in the best hands.

#### 2 DEVICES TOGETHER

You will be able to charge **two devices simultaneously**, whether Android or iOS, using the USB-A and USB-C ports. In this case, the USB-C port will not use the PD mode, but will nevertheless provide rapid charging.

#### CHARACTERISTICS:

- 1 USB-C port with 20W Power Delivery technology
- 1 USB-A port with 18W Adaptive Fast Charge
- European plug
- charges smartphones in 45 minutes and tablets in 90 minutes

\*Charging times are approximate, and depend on the battery capacity of the device being charged.

Weight Master: 3945 g

The image block contains three distinct visual elements. The top element is a close-up of the top of the white charger, showing a green LED display and the 'AFC' (Adaptive Fast Charge) logo. Below this is a diagram showing a battery icon with '0%' and another with '100%', with a green arrow between them labeled '45 Min ADAPTIVE CHARGE'. The middle element shows the front of the charger with a 'Type-C PD' port and a 'USB-A' port, both labeled 'AFC'. The bottom element is a photograph of a person's hands holding the charger, which is being placed into a red leather bag.
