20W wall charger
SKU: TETRPD18W

1 x USB-A + 1 x USB-c PD 20W battery charger

CHARGE ANYWHERE

The *20W Power Delivery battery charger* is excellent for charging your devices rapidly and easily. At home, at a hotel or on the train: wherever you are, you can count on your devices always being charged.

20W ULTRA FAST

Plug this charger into a wall socket using the European plug. The **USB-C port** uses Power Delivery technology: the system allows you to charge your iPhone or any other smartphone, tablet or iPad compatible with the PD protocol extremely quickly. Thanks to the **20 Watt capacity**, your device will be completely charged in around 30 minutes*.

USB FAST CHARGE

The USB-A port, which provides a maximum capacity of 10W, uses **Intelligent Charge** technology. Thanks to this system, the charger automatically senses the maximum charging capacity your device can take. The energy is then regulated to provide rapid charging. Using only this port, your device's battery level will be at 50% in only 30 minutes*.

2 DEVICES TOGETHER

You will be able to charge **two devices simultaneously**, whether Android or iOS, using the 2.1A USB-A and USB-C ports. In this case, the USB-C port will not use the PD mode, but will nevertheless provide rapid charging.

CHARACTERISTICS:

- 1 USB-C port with 20W Power Delivery technology
- 1 2.1A USB-A port with 10W Intelligent Charge
- European plug
- Smartphone battery level after 30 minutes with Power Delivery USB-C: 100%*
- Smartphone battery level after 30 minutes with USB-A: 50%*

*The indicated values refer to a smartphone with a 2500mAh battery, with 20% residual battery and in stand-by mode. The charging speeds are significantly reduced when the telephone is on and in use. Charging times may vary depending on the type of phone being charged.

20W wall charger
SKU: TETRPD18W

Technical data

Output power: 20W
Input: 100 - 250 VAC ~ 50/60 Hz
Output: 5V/3A - 9V/2A
Connector: USB, USB Type C
Plug type: EU
Technology: Power Delivery 20W
USB Output: 2.1A
Charging type: Quick Charge
Input voltage: 100 - 240 Vac / 50-60 Hz
Type C output: PD 20W
Color: white
EAN: 8018417256479
SKU: TETRPD18W
Maximum output power: 20 WATT
