

USB Travel Charger - Type-C PD 30W

SKU: TETRPD30W

Travel charger with USB outputs of 2.1A and Type-C 30W Power Delivery, European socket

THE ADVANTAGES

The **PD travel charger** is a fantastic product thanks to the Power Delivery technology that will provide you with ultra-fast charging for your devices. In addition, you can recharge two devices simultaneously thanks to the USB input.

ENERGY TO THE NTH POWER

This wall charger with a European socket is pure innovation. The Type-C output is characterised by **Power Delivery technology**: this solution allows you to charge devices in ultra-fast mode, not only smartphones but also MacBook Pro, compatible notebooks and tablets. Your device will reach 80% of its charge level within just 30 minutes.

You can also charge two devices at the same time thanks to the **2.1A USB** output. In this case, however, the Type-C port will not go into PD mode but will still guarantee a quick charge thanks to its 3A power.

TAKE IT AROUND WITH YOU

This is the ideal product for **frequent trips** without ever being with batteries on the ground: a single accessory for charging two different devices. A technological core and compact design make it suitable for every situation.

FEATURES:

- 1 Type-C output with 30W Power Delivery technology
- 1 USB 2.1A output
- EU socket

- Charge level of smartphone / tablet after 30 minutes with Type-C: 80% *

*charging times are approximate and depend on the device.

USB Travel Charger - Type-C PD 30W
SKU: TETRPD30W
