

Shock-resistant, non-slip matte cover for Samsung Galaxy A42

SKU: TEUNBKCOVSA42

Hard cover with soft, shock-resistant edges, anti-slip finish and flexible corners for easy fitting

The **matte cover** from the **Unbreakable Collection** is resistant and easy to use, providing ideal protection for your **Samsung Galaxy A42**.

This hard case protects your device from **impacts, dirt and scratches**; the **soft, shock-resistant edges** completely cover the side buttons while leaving the smartphone's ports and connectors free.

The **anti-slip finish** provides a secure and comfortable grip. The **flexible corners** make it easy to quickly fit or remove the cover from the phone.

The minimal style and matte colour highlight the lines of the device without hiding its colours.

Features:

- Hard, matte cover
- Soft, shock-resistant edges
- The smartphone's side buttons are completely protected.
- Holes for camera and connectors
- Flexible corners
- Anti-slip finish
