

## 12000 mAh Power Bank USB, Type-C

SKU: TTBB120003UFLCDK

### 12,000 mAh Battery charger, Dual Charge, Intelligent Charge, 2 ports USB - 1A and 2.1 A, Micro USB port, 1 3° Type-C port, black

#### WHAT IS IT?

The **12,000 mAh Power Bank** is an **extra-slim battery charger** with compact dimensions that supports different types of charging ports.

You can use the USB - Micro USB cable included in the pack or a **Type-C** cable to power this portable battery.

#### SUPER SPEED WITH TYPE C

This Powerbank's strength lies in its **3A Type-C** port.

Thanks to this port, your device - tablet or smartphone - benefits from an ultra-fast recharge. In just 30 minutes, in fact, your device's power level can reach **70%**.

The port also acts as an input - if you have a cable with the same kind of connector, you can also charge the powerbank.

#### TECHNOLOGY AT YOUR FINGERTIPS

The 1A and 2.1A USB ports, along with the Type-C, enable you to recharge three devices simultaneously.

The **Intelligent Charge** technology, which the 2.1A port features, allows it to automatically recognise how much charging power your device can absorb, and adjust accordingly. This Powerbank is therefore able to provide maximum recharge in the least time possible.

The **Dual Charge** system also enables you to smartphones and tablets at the same time as the power bank itself is recharging.

The exact percentage of charge remaining inside the charger will be shown on the **LCD display** - an easy way to know when it's time to recharge the powerbank itself.

## **WITH YOU IN THE AIR**

This Power Bank is the perfect travel companion as its petite size allows you to store it anywhere, and there are **no restrictions on its transportation by air**.
