

45W 20,000 mAh power bank with Power Delivery

SKU: TTBB20000PD45WK

Compact power bank that can recharge your smartphone up to 8 consecutive times

Charge a mobile phone up to 8 consecutive times: ideal for any situation

The **20,000 mAh power bank** can **recharge a smartphone up to 8 consecutive times** (depending on the battery of the phone being charged): enjoy your outdoor moments without worrying about finding a socket to charge your device. As it comes **pre-charged**, you will be able to use it immediately after purchase. Keep an eye on the remaining power level with the **status LEDs** and when it runs out, charge the powerbank by inserting the USB-A - Micro-USB cable into the appropriate **Micro USB port**.

Charges up to 2 devices simultaneously

It has **2 ports**, allowing you to charge up to two devices simultaneously. It is perfect for **phones, tablets, speakers, TWS headphones and e-readers** from a variety of brands including Apple, Samsung, Huawei, Xiaomi and Oppo.

The USB-C port supplies 45 Watt power with Power Delivery (PD)

The USB-C port is the most powerful: it delivers a power output of **45 Watts**. When connecting a single **smartphone**, it will be fully charged to **100% in just 15 minutes***. This port has **Power Delivery technology**, a charging standard that allows the safe transfer of a high level of energy. When connecting a compatible device, you'll get **super fast charging** with no overheating or short circuits. The USB-C port **can also be used to charge the power bank** by connecting it to a power source with its own compatible cable.

The USB-A port is fast and safe thanks to Adaptive Fast Charge (AFC) technology

The USB-A port supplies **18 Watt** power for fast charging: a mobile phone will charge in 45 minutes*. **Adaptive Fast Charge (AFC) technology** adjusts the power supplied to adapt to the device, charging it carefully and safely.

Compact and can be taken on flights

The compact size (14 x 6.7 x 2.5 cm) of the 20,000 mAh power bank makes it easy to store **in a bag or backpack**. Always keep it with you, even on the plane: **you can carry it** with no problems **in your hand luggage** .

Key features:

- 20,000 mAh: you can charge a phone up to 8 times (depending on the smartphone battery being charged)
- you can charge up to 2 devices simultaneously. In this case, the total power delivered will be 45 Watts
- USB-C port used individually supplies 45 Watt power: mobile phone charges in 15 minutes*
- Power Delivery (PD) technology for ultra-fast, safe charging
- USB-A port used individually supplies 18 Watt power: mobile phone charges in 45 minutes*
- Adaptive Fast Charge (AFC) technology for fast , safe charging
- to charge the power bank, you can use the Micro-USB port or the USB-C port
- pre-charged: ready to use immediately after purchase
- can be taken on flights
- size: 14 x 6.7 x 2.5 cm
- 4 LEDs to check the remaining charge level of the power bank

*times are approximate and depend on the battery of the device being charged

Contents include:

- 1 USB-A - Micro-USB charging cable
- 1 instruction manual

45W 20,000 mAh power bank with Power Delivery
SKU: TTBB20000PD45WK

Technical data

Recharging cable: USB - Micro USB Cable
Input: 5VDC/2.4A - Micro USB
Output: 45W max
Battery: 20.000 mAh
Technology: Adaptive Fast Charge, Power Delivery (PD)
USB Output: AFC 18W
Type C Input: 5V D.C. 3A 9V D.C. 2A
Type C output: PD 45W
Included accessories: 1 Micro-USB cable, User manual
Color: black
EAN: 8018417292507
SKU: TTBB20000PD45WK
Weight: 99000 g
