

Heart Sport Band for your fitness

SKU: TTHEARTRATEBTK

Chest strap for controlling heart rate during physical activity

The Heart Sport Band is a very advanced chest strap. It contains all the technology needed to help you monitor the calories you burn during a workout along with your heart rate.

Thanks to its compatibility with the free Go Life app, you can save and analyse all of your results. Made of flexible high-tech materials, it's the ideal workout companion.

This chest belt is synchronised with GoLife, the free app developed by SBS for monitoring daily physical activity. The app is compliant with [iOS](#) (9 and later) from the apple store and [Android](#) (4.3 and later).

Features:

- Made of flexible high-tech materials for a seamless integration with your workouts
- Measures heart rate and calories burned
- Compatible with iOS 9 and Android 4.3 and later devices
