

## 7000 mA Charging Station with 5 USB ports

SKU: TTTRAV5USB7A

### A white multiple battery charger that allows fast charging via 5 USB ports

This charging station allows you to charge up to five smartphones and tablets simultaneously. It may seem incredible, but it is easy to charge five devices simultaneously in your home or office. In fact, this multi-charger can be very useful both during business meetings and while you are travelling.

The three USB 2.1A outputs provide rapid charge to the three connected devices. The device is equipped with intelligent charge technology, enabling it to automatically deliver the maximum amount of charge in the fastest possible time to any connected devices.

#### Features:

- Power: 7000 mA
- 5 USB ports (3 2.1A and 2 1A)
- Smartphone charge level after 30 minutes: 50%
- Intelligent charge technology
- 1 cable with European plug included

Charging times are approximate and depend on the battery capacity of the device being recharged.
