

PD travel charger

SKU: TTTRTCPD30WUL

Charger with ultra fast charging 3000 mAh, 1 Type-C Power Delivery output 30 W, European plug

This **travel charger** is the ideal accessory to charge your devices while you travel.

The power supply is equipped with a **Type-C** output with which you can connect all devices supporting this technology. Simply insert the European plug into a wall socket to start topping up the charge.

This travel charger is equipped with the **Power Delivery** system that ensures a faster recharge and allows you to power devices like Macbook or Notebook.

In fact, after only 30 minutes of charge, the energy level of your device will already be at **70%**.

This is the ideal product to deal with **frequent trips** without ever being left with flat batteries.

Features:

- Output power: 30W
- 1 Type-C output
- Power Delivery Technology
- EU plug
- Device charge level after 30 minutes: 70% *

* times are approximate and will depend on the device being recharged.
