

TWS Twin Buddies - earphones with earbud hook and charging case

SKU: MHEARBTTWSK

True Wireless Stereo earphones with multi-function key for call answer/end and music

- 340 mAh charging base: insert the earphones and recharge them completely in about 90 minutes, without wires.
- It is possible to manage music by using the multi-function key: play tracks whenever you want and pause when necessary.
- You will be able to answer phone calls thanks to the built-in microphone and the multi-function key: during calls the sound will come from just one earphone (mono mode). The last number recall function is also available.
- Both earphones have a small hook to ensure stability during use; the hooks adapt perfectly to the ear.
- Included in the package are six rubber pads, two of which are already mounted on the earphones: choose the pad which has the best possible adhesion to the ear.
