

Polo Collection Type-C data cable and charger

SKU: TECABLPOLOTYPECW

1.5m long Polo Collection cable, with USB and Type-C connectors for charging and data transfer, white color

The Polo USB 2.0 and Type-C connector cable is the ideal product for transferring your data and charging your devices quickly and easily.

The Type-C connector is **universal** for Samsung smartphones and tablets as well as Motorola, LG, Asus, Huawei and Nokia phones, and many more equipped with a Type-C port. Simply insert it into the dedicated port and connect the USB to other devices to power your device or synchronize data such as pictures and music.

This cable has a length of 1.5m and is **covered in silicone**. This particular finish ensures a high degree of protection and avoids the formation of tangles, kinks, and twists that prevent the cable from working quickly and easily.

It is also characterised by its **extraordinary softness** that gives a pleasant feel to the touch. The included **cable clip** allows perfect storage at all times. It should always be kept on hand, to fill a multitude of needs.

Features:

- Data transfer and synchronization
- Powerful recharging
