

Sense TWS Active Noise Cancelling Earphones

SKU: TEJZANCBTTWSW

Wireless and noise free: True Wireless Stereo earphones to help you fully immerse yourself in your music

WIRELESS

Make calls and listen to music in the highest quality with **Sense wireless earphones**. These wireless headphones provide **compatibility with a wide range of devices** from Apple, Samsung, Huawei, Xiaomi and other brands.

CRYSTAL CLEAR SOUND QUALITY

Active Noise Cancelling technology is designed to reduce ambient noise and improve sound quality for a **perfect listening experience**. Listen to music and make calls clearly without turning up the volume.

MAXIMUM PRACTICALITY

True Wireless Stereo technology ensures **easy and precise connectivity** between the two earphones and your device. This makes the Sense headset always ready to use whenever you need to make a call. **IPX5 certification** indicates excellent **resistance to water and sweat***, making it possible to listen to music even during intense workouts or in the rain.

Thanks to the **multi-function button** you can also answer/end a call, activate the voice assistant and play/stop your music without having to touch your device: these wireless earphones have a range of **up to 10 metres**.

MUSIC FOR HOURS

The Sense earbuds, when fully charged, have **up to 4 hours** of usage time** and up to 100 hours of stand-by time. The 300 mAh case can recharge your headphones up to 4 times by simply inserting them into the two earphone compartments, giving you **up to 16 hours of playback time**. When the case runs out of power, simply charge it up using the **USB to USB-C cable included**.

*not suitable for full immersion in water. Splash-proof only.

**3.5 hours with ANC active
