

Band M8 - Wireless headphones with voice assistant activation button

SKU: TEJZRSHEADBTk

Listen to your music for long periods of time with the Band M8 headphones

THE CONVENIENCE OF A PAIR OF WIRELESS HEADPHONES

The **Band M8 headphones** allow you to **listen to your favourite songs and make calls** from your **tablet or smartphone wirelessly**. Whether you are on the sofa, on public transport or walking in the city, you will always have full freedom of movement without having to worry about knots and tangles.

Also, with a **range of up to 10 metres**, you can move away from your device and the connection will remain stable with no interruptions to the music.

UP TO 20 HOURS OF MUSIC ON A SINGLE CHARGE

You can listen to your music all day long. The M8 Band provide **audio playback up to 20 consecutive hours**. When they run out of power, simply connect them to a power bank or wall charger with the **USB to USB-C cable included**. In **2 hours**, they will be **charged** and ready for use.

Or **you can use them with a 3.5mm Jack cable** (not included) like normal wired headphones.

ACTIVATE VOICE ASSISTANT WITH ONE TOUCH

The **integrated commands** allow you to perform many actions directly from the headphones without touching the connected device. Use the appropriate button to **activate Siri or the Google assistant** without picking up your iPhone or Android smartphone.

You can also **adjust the volume, change track, play / pause a song**, and **answer / reject a call**.

SOFT, FOLDABLE, SPECIAL: THE IDEAL COMPANION FOR YOUR MUSIC

The **soft, cushioned, tiltable ear pads** and **adjustable headband** guarantee a comfortable, bespoke listening experience. **The headband can also fold over** making the headphones compact and easy to carry in a backpack or handbag.

The M8 Band are from the **JAZ** Collection, known for its excellent sound reproduction and its Partnership with **Rolling Stone** magazine, an icon of Pop Culture. These headphones are therefore ideal for music lovers who always want to have their **favourite songs with them** and enjoy an **immersive listening experience**.
