

10 Watt travel charger made with recycled plastic

SKU: TEOCNTR2USB2AW

Recycled plastic wall charger with 2 USB 2.1A outputs, European socket and Intelligent Charge technology for fast charging

AN ECO-SUSTAINABLE CHOICE

Charge your devices while respecting the environment. This **travel charger** from the **Oceano Collection** is made with **100% recycled plastic**. Carry an **eco-friendly product** for all small daily needs.

PERFORMANCE AND PRACTICALITY

Equipped with a European socket, this product can **charge two devices at a time**. With its two USB 2.1A outputs, it is possible to connect a smartphone or other devices such as earphones, wireless speakers and headphones, charging bases or power banks.

Using one of the two outputs individually, it is possible to charge a smartphone by **50% in just 30 minutes**. This wall charger is noted for its **Intelligent Charge** technology, a system that allows you to power your device quickly without overcharging or overheating it.

PLASTIC-FREE

The packaging containing the charger is **plastic-free**: it is 100% made **of recycled paper**. Moreover, **eco-compatible ink was used for the print**. By choosing Oceano Collection products, you contribute the cause of **Marevivo**, the Italian association for the defence of the sea and its resources.

CHARACTERISTICS

- 10 W charger

- Plastic parts are made entirely with recycled material
- 2 USB 2.1 A outputs
- Intelligent Charge
- Charging type: fast
- Device charge level after 30 minutes: 50% *
- 100% plastic-free packaging

* Charging times are indicative and depend on the battery capacity of the device being charged.
