

Micro USB travel charging kit

SKU: TETRKITMIC1ASTD

1 A battery charger with 1A USB output and European plug, Micro USB cable for charging and data transfer, length 100 cm

This **1 A travel charger** is the right product for anyone who wants to power up their devices while away from home. The power supply features a **1A universal USB output** suitable for charging your smartphone. You'll be able to recharge mobile phones that support **Micro USB** technology thanks to the cable included in the package. Simply insert the USB connector into the appropriate output of the charger and the Micro USB end to a smartphone with this type of socket. The cable can be used separately for transfer and synchronization of data such as images, videos and music. Insert the European plug into a wall socket and leave the power supply running: in 30 minutes the charge level of your device will be **25%**. Carry this travel kit with you at all times: essential accessories for coping with long journeys without any flat battery problems.

Features:

- 1 A battery charger
- 1 USB output 1A
- EU plug
- Charging cable with USB and Micro USB connectors
- Recharge type: standard
