Neon MagSafe compatible case for iPhone 14

SKU: CMCOVCFLMSIP1461G

The cover that protects your iPhone and enables MagSafe charging

LIGHTWEIGHT AND RESISTANT

The **Neon cover** is ideal for protecting your **iPhone 14** whilst using MagSafe charging. The material it is made from (TPU + PC) is both light and resistant. This means the phone is **protected from small bumps** yet remains **linear and compact** .

IT ALSO PROTECTS THE SIDE BUTTONS AND THE CAMERA

The cover **also covers the phone's side buttons**, protecting them without impeding functionality. Furthermore, the back includes **shield** which protects the **camera** leaving the **lenses and flash** free. This enables you to create photos and videos without worries. The white side tab gives a chic touch to the cover.

COMPATIBLE WITH MAGSAFE CHARGING

It **features** a **magnetic module** compatible with MagSafe chargers. Charge your mobile wirelessly without having to remove the cover.

TRANSPARENT, COLOURFUL AND MODERN DESIGN

The Neon cover stands out with its transparent **Fluorescent colour**. Personalize your iPhone in style without masking its design.

KEY FEATURES:

- material: TPU+PC
- compatible with MagSafe charging
- protects the camera without obstructing the lenses and the flash
- protects the side keys without impeding their functionality
- Transparent fluorescent colour
