USB-C - Fabric Lightning cable with cable clip, 1.5 m

SKU: TECABLETISSUETCLIGG

The Made For iPhone cable for all your charging needs

Charging and transferring data is always convenient with a USB-C connector

The **fabric cable** lets you **recharge** your devices with a compatible port by connecting them to a mains charger or power bank. The **USB-C connector** can be **inserted from any angle**, meaning you can always connect with ease. By connecting a smartphone, tablet, e-reader to a PC, laptop or MacBook **, you can transfer music, video, documents** and other files. As you transfer data, **your device will charge simultaneously**.

Certified Made For iPhone (MFI): your Apple device is in safe hands

Made For Apple certification ensures that **the manufacturing and performance standards required by Apple** are met. Charge your iPhone, iPad, iPod with Lightning port and transfer data **in complete safety**.

The external fabric coating makes it soft to the touch

The **USB-C Lightning cable** is covered in fabric. This feature distinguishes it from standard cables thanks to its soft texture. This cable is not only useful but also **pleasant to use**.

Anti-tangle and with cable clip: suitable for any occasion and always ready to use

If you're struggling to find a cable that's always tidy, your search is over. This cable has **anti-tangle finish**: knots and tangles will no longer be a problem. Thanks to the **cable clip** the cable will always be perfectly tidy and always ready for use. Store it in a backpack or handbag with complete peace of mind.
