

Extreme Mag - transparent fall resistant cover for up to 3 metres

SKU: TEEXMAGIP1467P

The perfect reinforced cover to protect your iPhone 14 Pro Max

LIGHTWEIGHT, TRANSPARENT AND ULTRA RESISTANT

The **Extreme Mag cover** is perfect for protecting **iPhone 14 Pro Max** from bumps and scratches. It wraps around your smartphone perfectly without making it look bulky, and with its **transparent** design, you won't even notice it's there. The **materials** with which it is made (**TPU and PC**) make the Extreme Mag cover an **excellent combination of resistance and lightness**.

The **camera area is also protected** but at the same time ensuring that photos and videos are always created smoothly through the **rear** holes.

THE MAGNETIC ATTACHMENT IS COMPATIBLE WITH MAGSAFE CHARGING

The **practical magnetic attachment, compatible with MagSafe charging**, means you can use all your accessories that are suitable for this type of charging **without removing the case**. When a MagSafe* charger is positioned by the white symbol, it will attach magnetically and charge your phone.

IT HAS PASSED DROP TESTS FROM A HEIGHT OF UP TO 3 metres

The **cover Extreme Mag** has passed specific tests that have certified its **resistance to falls from a height of up to 3 metres**. The particular **reinforced edges**, in fact, cushion the blow distributing it throughout the cover.

The **edges also cover the side buttons** offering complete protection for your phone without making it less practical to use.

*Magsafe charger not included
