

Leg pouch for smartphones up to 6 inches

SKU: TEMOTOBAGTOUCHK

Leg pouch with 2 adjustable clips for attachment, zip for closure and touch window, IPX3 certified

The **thigh pouch** is the ideal solution for all motorcyclists who want to carry small items.

This accessory is equipped with **two adjustable clips** for attachment and a zip closure. In the compartment, there is a slot where you can insert your smartphone. You can also use this pouch for storing gloves, keys, power banks or other small accessories. Once you're in the saddle, you can use your phone without removing it from the pouch: the **touch window** allows you to use all the functions on the display. Consult road maps, check messages or incoming calls and then set off again for new adventures on the road.

No need to worry about bad weather any more: the pouch is **IPX3** certified, so it is resistant to light rainfall.

Discover the pleasure of driving without the hindrance of backpacks with this practical pouch.
