Hard cover with scooter and vintage car design for Samsung Galaxy S10

The *Roma case* from the **Nostalgia collection** is not just a smartphone cover, but a true homage to the Eternal City, with two symbols from the 60s.

The classic scooter and vintage car featured in so many films, and part of the history of cinema: take a trip back in time and dream of an exciting sightseeing tour of Rome.

Enchanting settings leave room for **practicality**: the hard cover protects your Samsung Galaxy S10 from **knocks and scratches**. The power and volume buttons are set within the profile of the case without making them tricky to use. The holes provided allow you to use the camera and sensors on your device unhindered.
