Semi-rigid silicon case with velvet-effect interior for iPhone XS Max, black color

The perfect example of silicon's potential contained in the ***Polo One Cover***.

The case, designed for the **iPhone XS Max**, is inspired by Steve Jobs' famous phrase "*One more thing*".

This protector is innovative and surprising, practical and seductive, just like the technological innovations that Apple's famous mind presented at their *keynote*.

Polo One is marked out by its charm. Inside, the smartphone is nestled and protected by a velvet-effect touch microfibre lining. Holding this semi-rigid case in your hand will also be enjoyable: the silicon provides delicate tactile sensations.

The cover is very **easy to clean**: just use a damp cloth to maintain its beauty over time.

Lastly, Polo One surrounds the iPhone XS Max perfectly, leaving space free for the camera and connectors.

The perfect accessory to enhance and protect your device at the same time. A red-carpet dress for your smartphone.
