

Reflective cover for iPhone 11

SKU: TERELECTIP6119P

Hard cover made with reflective material for iPhone 11: colour Pink

This **innovative reflective cover** for **iPhone 11** lights up **using the flash on your phone**. Surprise your friends with the reflections and bright colours of this cover that is made of unique modern material.

With the cover on, focus your smartphone camera on a reflective surface and activate the flash: the cover will appear illuminated in your videos and stories. Take the perfect **selfie at the disco, at night, in the city**: you can see **fun colour games** and take wild photos.

Furthermore, this hard cover **protects your device from bumps, dust and scratches**. It has soft edges that wrap around the power and volume keys, leaving sensors and connectors free.

Characteristics:

- Cover that is reflective when illuminated by flash on smartphone
- Hard with soft edges
- Slots for camera, connectors and sensors
