

Ladybug Bluetooth headset

SKU: TESLEARLADYBUGBTP

Headset fitted with microphone and answer button, multipoint technology, Bluetooth v4.1, pink colour

WHY CHOOSE IT?

The **Ladybug mini headset** from the Smart&Ladies range is the perfect accessory for you if you are refined and elegant but also active and dynamic.

Answer incoming calls completely safely while you're driving: thanks to the **Bluetooth** technology you can finally get rid of the annoying tangle of wires.

TECHNOLOGY IS A WOMAN

The multipoint headset will also allow you to connect **two devices simultaneously**, ensuring it is completely practical to use. In fact, you will be able to manage calls from both devices without disconnecting and reconnecting repeatedly.

ALWAYS BY YOUR SIDE

Ladybug is very light – **it weighs only 3.3g** – but it has great performance: in fact, it will guarantee you around 2 hours of call time.

The weight and delicateness of a butterfly concentrated in a headset that is as chic as it is practical.
