

## Stereo Wireless Runway Swim In-ear Headsets

SKU: TESPOTINEARBWPRK

### Water resistant earphones with nano coating technology and Wireless v4.1.

These in-ear Wireless headsets feature special nano coating technology, a treatment that makes them resistant to water, weathering and perspiration. Now you can make calls and listen to music on the beach or in other convenient locations. This practical system allows to fix the ear plugs in the ears without the risk of losing them. The packaging includes a charging cable.

\*not suitable for diving and swimming

Features:

- Wireless v4.1
- Nano coating technology
- Water resistant IPX 4
- Integrated dual-microphone
- Answer / end call buttons, volume control, music management controls
