15 Watt travel charger

SKU: TETR2USB31AFAST

Fast charger with 3.1 A charging through two USB outputs 1 A and 2.1 A, European plug

A handy companion for all your adventures: this **3.1 A travel charger** is an ideal product for powering up your devices at any time.

The charger is equipped with **two universal USB outputs** for 1A and 2.1A smartphones. In this way, you can complete a full charge of two devices at the same time: just connect the European plug to a wall socket and the cables from your devices to the USB outputs

The **Intelligent Charge** technology allows this portable charger to automatically recognize the maximum absorbable charging level of your device and adjust it accordingly.

In this way, you will get the maximum recharge in the shortest possible time: in fact, in just 30 minutes, the charge level of your device will already be at **50%**.

This travel charger is a practical and useful accessory designed for anyone who is always on the move and wants to have **their devices fully powered**.
