

## Waterproof case for smartphone up to 5.5"

SKU: TEWATEREDGEK

### Waterproof floating case for smartphone up to 5.5" with IPX8 certification; neck strap included; black colour

Bring your smartphone to the beach without worries: this **waterproof case** best protects your device not only from water but also from sun and sand!

This floating protective case boasts several strengths. You can take it anywhere, thanks to the comfortable neck strap with clip, and use the camera thanks to the touch properties of the transparent coating.

The case has no edges: you can use the side keys on your smartphone without any difficulty. This useful, certified **IPX8** accessory will also allow you to go up to 3 metres under water.

Inserting your smartphone into the case is **very simple** : just open the case and, once the device is positioned, carefully fix the two hooks for closing.

Before using the case, carry out a preliminary immersion test by inserting a piece of paper or fabric inside the case. Place the case in a basin of water and move it around for at least 5 minutes. Then dry the case, open the closure and check that the paper or fabric is completely dry. In the event it is wet do not use the case. The company does not guarantee the case against accidental damage or natural wear and tear. Make sure your insurance covers the contents.

Features:

- IPX8 certification: suitable for temporary immersion down to 3 metres (max 60 minutes)
- For smartphone up to 5.5" (95x160mm)
- Transparent and with touch function
- Access to camera
- The case does not allow the recognition of digital fingerprints, but it will be possible to unlock the smartphone via code.
