

## Colourful mini charging Lightning cable

SKU: TECABLELIGSHFLATR

### This 12 cm long red Lightning MFI cable features USB connectors and is suitable for both charging and data transfer

This mini USB cable measures just 12 cm long and is ideal for people like you, who are often on the move. Its length allows you to carry it with you to charge your smartphone without needing a battery charger and it also allows you to transfer data.

With this mini charging cable you can hold your smartphone while it is connected to a powerbank. Now, you can forget about having to carry around a bulky cable to connect your smartphone and its charger.

Features:

- Length: 12 cm
- USB Output
- Charging and data transfer functions
