

4D Full Glass Screen Protector for Huawei P30 Pro

SKU: TESCREEEN4DHUP30PK

A protective film made from tempered glass for Huawei P30 Pro/Pro New Edition, black color

This special **protective film**, which is actually made from **tempered glass**, provides protection for your Huawei P30 Pro /Pro New Edition from **bumps** and **scratches**.

It adheres perfectly to the display of your Huawei P30 Pro/Pro New Edition, freeing space for the for the camera, microphone and sensors.

It has been specially designed to **absorb impacts** and ensure a perfect display while **rounded edges** allow the screen protector to adhere to the smartphone screen.

The film is covered with a special **oil-repellent coating** that makes annoying spots on the screen appear less visible.

Applying this protective film is **extremely simple**: use the two cloths included in the package (one wet and one dry) to clean and dry the screen. Then, gently press the protective film onto the screen, paying particular attention to the corners.

Features:

- Material: toughened glass and silicone
- **Curved edges** to protect the entire display
- Shock proof and scratch resistant

The holes on the screen protector may not correspond exactly with those holes that are visible on the phone but they will allow the possible non-visible sensors to function correctly.
