

## Eco-friendly screen protector made of recycled materials for iPhone 15 Pro

SKU: TESCRGRSIP1561P

**The GRS certified screen protector will provide maximum protection for the display whilst allowing the device to perform facial recognition**

### SCREEN PROTECTOR MADE OF RECYCLED MATERIALS: AN ENVIRONMENTALLY FRIENDLY SCREEN PROTECTOR

In an era of environmental awareness, the **Clear Glass screen protector for iPhone 15 Pro** demonstrates commitment to green sustainability and the circular economy. Designed to meet the growing demand for eco-friendly smartphone accessories, this **screen protector** is not only very practical, but represents an important step towards a **more environmentally sustainable** future.

### WHY CHOOSE A GRS CERTIFIED PROTECTOR?

Our screen protector, certified according to the **Global Recycled Standard (GRS)**, is ideal for those looking for an accessory that combines functionality and ethical responsibility. This international certification ensures that our product promotes effective recycling, ensuring **the traceability of recycled materials** and adherence to **high environmental and social standards in the production chain**.

### BENEFITS OF THE ECO-FRIENDLY SCREEN PROTECTOR

Made **with 60% recycled materials**, the screen protector not only safeguards your smartphone screen from bumps and scratches, but is environmentally friendly. Thanks to its **compatibility with facial recognition**, it provides protection and convenience without compromising the device's accessibility.

### THE PROTECTIVE SCREEN THAT REFLECTS YOUR VALUES

With our protective glass, **you effectively protect your mobile phone** while helping to promote sustainable and responsible practices.

**KEY FEATURES:**

- Composed of 60% recycled materials
- Global Recycled Standard (GRS) certification, ensuring environmentally and socially friendly production
- High transparency and clarity
- Retains display functionality and facial recognition compatibility without removing the protective screen
