

## 3 watt floating wireless speaker

SKU: TESPEAKFLOATBTB

**IPX7 certified floating speaker, answer/end call and music control buttons, built-in microphone**

### MUSIC ON THE WATER

Take it to the pool, on a boat or in the shower to listen to your favourite music. **The floating wireless speaker** is the perfect accessory for entertainment and answering calls when needed.

### THE ADVANTAGES OF A WATERPROOF ACCESSORY

Thanks to its **IPX7 certification**, the speaker is waterproof: after pairing it with your smartphone, you can use it in water while your mobile phone stays dry. The wireless transmission range is **10 metres**.

The practical loop allows the speaker to be hung on **hooks**, making it **perfect for hanging next to sinks, bathtubs or showers**. It is also ideal for your outdoor, hiking and mountain biking trips: attach it to the clip on your backpack and set off on new adventures **without worrying about the rain**.

### MUSIC AND CALLS

This accessory is provided with buttons that allow you to **control your music**: start or pause songs and switch from one song to another. **Take it out of the water** to talk to friends and family: just press the **answer/end call button** and answer the call thanks to the **built-in microphone**.

### HOW TO RECHARGE

The speaker is equipped with Micro USB input: it uses the **charging cable** included in the package to power it when the charge inside it runs out.

**FEATURES:**

- Bluetooth 5.0
- Floating
- Waterproof, IPX7 certified: suitable for temporary immersion down to 1 metre (max 30 minutes)
- Power: 3 watts
- Music control buttons
- Answer/end call button
- Built-in microphone
- USB to Micro USB charging cable included in the package

3 watt floating wireless speaker
