

MagSafe compatible iPhone ring stand holder

SKU: TEMAGSFSTAND

The magnetic ring stand holder designed for the Apple world

Dedicated to your iPhone compatible with MagSafe technology

The **ring stand holder** is equipped with **magnet** to be affixed to any **MagSafe compatible iPhone**. Simply bring it close to the shell of your mobile phone: **it will be attracted automatically**, remaining fixed and stable. You can remove it like an ordinary magnet: pull the ring slightly and it will come off your smartphone.

Useful, practical and multifunctional

You can use it in many ways. Use it as a simple **table stand** to watch photos, videos and images comfortably at all times or use it as a **handle** so you'll always have perfect selfies. **Rotate it as you wish** so you can even position the smartphone horizontally or hold it however suits you best. Thanks to the **stiff arm**, you can also place it on a laptop screen: it will fit perfectly without falling.

Minimal: perfectly fits your Apple iPhone

phone With its minimal circular design, this accessory will embellish your iPhone giving it a modern tech touch.

Key features:

- MagSafe compatible: affixes to iPhone magnetically
- with rigid arm and ring: you can use it as a table stand or selfie grip
- Minimal material: zinc alloy
