

Amalfi Micro USB-USB 2.0 data and charging cable

SKU: TENOSMICROA

Tangle-free cable for charging and data transfer with metal Micro USB-USB 2.0 connectors, 1.5 metres in length

The **charm of the Amalfi Coast**, with its foreshortened views, its landscapes and colours, is encased in an accessory for everyday use.

The **Amalfi charging and data transfer cable**, ideal for both tablets and smartphones, has **Micro USB-USB 2.0 connectors reinforced with metal** to make them more durable and resistant to knocks and wear and tear.

This product has a special **tangle-proof texture** which prevents it from getting tangled or knotted. It's easy to wind up and unwind, making it quick to use in any situation.

As it is **1.5 metres long**, the cable can be used to connect devices that are not close to each other.

It's a real pleasure to hold this accessory: the rubber coating protecting the metal interior has a lovely feel.

Features:

- Charging
- Data transfer and synchronization
- Micro USB and USB 2.0 connectors reinforced with metal
- Tangle-free
- Length: 1.5 metres
