

Cover Wheel for iPhone SE/5S/5

SKU: TEWHEELIP5R

Silicon case Wheel for iPhone SE/5S/5 texture with squares in relief, red color black edge

The Wheel case through its special processing is not presented as a simple protection. Made of durable silicone perfectly wraps your iPhone and protect it from little bumps and scratches. Is the surface of the case that encloses the special content of protection: the squared texture in relief gives it a very sporty look and ensures a better grip when the phone is held in the hands or placed on a surface.

Features:

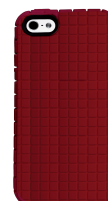

- made of silicone
- absorbs the bumps
- plot square pixels in relief
- non-slip material for optimal grip
- soft touch feeling
