

Powerbank 30-Watt Power Delivery

SKU: TTBB20000PD30WK

20,000 mAh Power Delivery 30-watt charger with 1 Type-C input/output, 1 USB 15-watt output

FOR SMARTPHONES, NOTEBOOKS AND MACBOOKS

The **30-watt Power Delivery powerbank** is the perfect accessory to recharge not only Android and iPhone smartphones, but also **notebooks and MacBooks**.

Thanks to its 20,000 mAh capacity, it can recharge a smartphone **up to 8 times**.*

POWER DELIVERY: THE IDEAL SOLUTION FOR EVERY DEVICE

The Type-C output is characterised by PD - Power Delivery technology. Through this port, the powerbank is capable of delivering up to 30 watts of power.

If you have an Android smartphone compatible with the PD protocol or a latest-generation iPhone, you can recharge your battery up to **80% in just 30 minutes**.

Check the compatibility of your device with this technology: you can power notebooks, MacBooks, tablets, digital cameras, action cameras, drones, tube sockets, earphones, headphones, speakers, consoles and joysticks.

THE USB PORT

The powerbank also has a USB port equipped with the **Adaptive Fast Charge** energy transfer protocol.

If your smartphone is compatible with this technology, up to **15 watts of power** will be supplied. The battery level will go up by **80% in just 30 minutes**.

RECHARGING THE POWERBANK

The powerbank is **Dual Charge**: you can charge it while it's supplying energy to your devices.

In addition to the Micro USB input, the Type-C port can be used as an input. Connect a cable with this type of connector to a charging source to power the device.

The **LCD display** allows you to always keep an eye on the charge level inside the powerbank.

CHARACTERISTICS:

- Capacity: 20000 mAh
- Dual Charge
- Power Delivery of 30 watts
- Adaptive Fast Charge
- Input: Micro USB and Type-C
- Output: USB Adaptive Fast Charge and Type-C
- Smartphone charge level after 30 minutes using the Type-C PD Charge output: 80%**
- Smartphone charge level after 30 minutes using the USB Adaptive Fast Charge output: 80%**
- Display LCD
- USB charging cable - micro USB included

*The values shown refer to a smartphone with a 2500 mah battery with 20% residual charge and on stand-by; charging performance is significantly reduced with the phone on and in use. The number of charges may vary depending on the model of the phone.

**Charging times are indicative and depend on the battery capacity of the device.

Powerbank 30-Watt Power Delivery
SKU: TTBB20000PD30WK

Technical data

Recharging cable: USB/Micro-USB

Input: PD 30 Watt - Type-C

Output: 5V/3A - 9V/2A - 12V/1.5A - 20V/0.75A, PD 30 Watt - Type-C

Battery: Li-ion

Technology: Dual Charge, Intelligent Charge, Power Delivery 30 W

Included accessories: Charging cable

Color: black

EAN: 8018417292491

SKU: TTBB20000PD30WK

Weight: 368 g
