

Flyphones - Wireless earphones with neck strap

SKU: MHEARBTB

Stereo earphones with flat cable and controller for managing music and calls, blue

- Wireless stereo earphones – ideal for music, thanks to the controller which allows you to manage the volume and playback of your songs.
- Using the controller, you can reject a call or redial the last number, and talk comfortably through the integrated microphone.
- The deep bass creates total sensory involvement. It takes listening to an entirely new level.
- The flat cable prevents tangles: it is easy to roll up and is comfortable in use.
- The packaging includes six ear tips (sizes S, M and L): choose the size which is most comfortable when wearing the earphones.
- Adjustable stereo headphones: the headphones are adjustable to ensure comfort.
