

Band 6W Speaker with smartphone holder

SKU: MHSPEAKBANDK

Keeps your smartphone stable while listening to music or watching videos

COMPATIBLE WITH TF CARDS, USB AUX AND WIRELESS: MORE INPUTS TO PLAY YOUR MUSIC

The **6W Band speaker** lets you listen to music and call wirelessly from your own **smartphone, tablet or Apple, Samsung, Huawei, Xiaomi, Oppo** or other laptops. Thanks to its range of up to 10 metres, you can move with your device without losing your connection with the speaker.

If you also want to listen to music from **TF cards**, from MP3s with a plug-only **3.5mm jack** or from **USB sticks**, the speaker also supports all these sources. Don't limit your desire for music.

YOUR SMARTPHONE STAYS STABLE THANKS TO THE PRACTICAL HOLDER

The top of the speaker features a **support** that **can be raised or lowered when needed**. Place your smartphone on the holder horizontally to ensure it always stays stable. This way, you can watch a video or film on your phone comfortably and at a high volume.

THE INTEGRATED CONTROLS, THE STRAP AND THE FABRIC FINISH MAKE THE HOLDER FUNCTIONAL AND ELEGANT

Thanks to **integrated controls** you can **manage your music** directly from the speaker even when your device is far away.

The **integrated strap** lets you attach the speaker to a backpack, meaning you can take it with you to the park or the beach.

The **fabric finish** also makes this speaker **elegant** and **suitable for any home environment**. Whether you keep it in the kitchen, living room or bedroom, it will never clash with its surroundings.
