

## 5000 mAh powerbank with stand function and integrated cable

SKU: TEBB5000PLUGCK

**Charge up to two devices at the same time with complete ease thanks to the stand function**

### **Fast, safe and with stand function**

The **5000 mAh powerbank** charges your **smartphone, tablet, e-reader** or your **TWS headset** with **12 watts of power**. Recharge your devices safely: the **Intelligent Charge (IC)** technology ensures power transfer without overheating or short circuits. Thanks to the USB-C connector at the top of the power bank, you also get a **holder for your mobile phone** so it remains upright. In this way, you can call, watch photos and videos in the utmost comfort.

### **Charge two devices at the same time**

In addition to the USB-C connector for the stand function, the 12W external battery is equipped with a **removable USB-C - USB-C cable** that allows you to connect a second device for charging. This **cable also allows you to run the powerbank** when without power: connect it to a mains charger with a USB-C port.

### **Extra small**

Its dimensions are tiny (7.8x3.5x2.5cm). Stow it easily in a **handbag** or in the **pocket of a backpack** and carry it with you at all times, without clutter. Use the handy **integrated** cap to protect the USB-C connector for the stand function.

### **Key features:**

- Battery capacity: 5000 mAh

- size: 78x35x25mm
- USB-C connector for stand function
- removable USB-C cable for charging a device or the powerbank
- 12W power consumption
- Intelligent Charge (IC) technology: fast and safe charging
