

## 1.5 m Data Cable - USB-C connectors

SKU: TECABLETCC20W

### A practical and convenient accessory for charging and transferring data between your devices

#### Top up and transfer data with a single connector

You can easily charge and transfer data between your devices with a single connector.

The **data cable** is equipped with **two USB-C male outputs** to connect your accessories that use this type of input. Just insert one end into a power source or device that can receive data directly from your mobile phone (including **Samsung, Xiaomi, Huawei, LG, Oppo, One Plus and many more models**) to upload or transfer audio and video content.

#### Total convenience at your fingertips

The **data cable with USB-C connectors** is **1.5 meters long**, a length that gives you maximum convenience and freedom of movement even while your devices are charging.

The black silicone cable **with flexible and anti-tangle soft-touch effect** also ensures daily and long-lasting use.

#### Key features:

- Length: 1.5 metres
- For charging and data transfer
- Two male USB-C metal connectors to plug into a power source or compatible device (Samsung, Huawei, Xiaomi, LG, Oppo, One Plus and many more)
- Material: coated in soft-touch silicone with anti-tangle finish
- Colour: white
