USB - Lightning cable

SKU: TECABLPOLOLIG89R

Made for iPhone (MFi) cable with a tangle-free finish for convenient charging and data transfer

FOR CHARGING AND SYNCHRONIZING DATA

The **USB - Lightning** cable lets you **charge** your **Apple devices** and **transfer data**. Plug the USB connector into a **PC or notebook's** dedicated port to **transfer photos, music and videos to your iPhone, iPad or iPod while it's charging** . This cable also enables charging from **power banks** and **wall chargers** with USB ports.

Tangle-free

Whether you put it in your jeans pocket or backpack, this cable **always stays neat**. Its **silicone finish** actually prevents any annoying knotting.

Made for iPhone (MFi) CERTIFICATION

This cable is Made for iPhone (MFi) certified, meaning it **meets the manufacture and performance standards** required by Apple. Lots of iPhone, iPad and iPod models support Lightning connectors.

KEY FEATURES:

- Length: 1 metre
- Tangle-free finish
- USB 2.0 - Lightning
- Simultaneous data transfer and charging

- Colour: red

- "Made for iPhone (MFi)" device: accessories made to support Apple devices,* with manufacturer's certification of compliance with the performance standards required by Apple.
