

Silicone mobile phone holder for bicycles or scooters

SKU: TEERIDEHOLD

This mobile phone holder is the ideal solution to keep your smartphone steady on the handlebars of your bike or scooter.

EASY TO INSTALL

This **silicone cell phone holder** attaches your Apple, Samsung, Huawei, Xiaomi or other brand smartphone to the handlebars of your bicycle, E-Bike, scooter or Segway. Secure the corners of your device using the **4 elastic tabs**. Then, attach the holder to the handlebars of the bicycle or scooter using the **integrated adjustable strap**. This way, **the device** will stay **steady and vibration-free** during your trips on two wheels. The holder will also keep your device safely in place **without harming it**. Carefree travel in the city, countryside or mountains: your mobile stays safely in place.

FLEXIBLE

Silicone gives this holder for bicycles and scooters **optimal flexibility and compactness**, so it can be easily stored anywhere. **Carry it with you** in your pocket or backpack, so you'll always have it on hand to use on rental bikes or scooters.
