

## Flexiglass Full Screen Protector for Samsung Galaxy S10e

SKU: TENANOSAS10CK

### Nano Fibre Screen Protector, flexible and anti-bubble for Samsung Galaxy S10e

The **Flexiglass Nano Fibre protective film** is the perfect indestructible glass for your **Samsung Galaxy S10e**. Thanks to **Nano Technology**, this display glass is flexible, very light and fits perfectly to the screen of your smartphone. The black borders adhere to the edges of the device ensuring excellent protection. It is not only resistant to shock and scratches but it also withstands **use over time** to ensure true durability. Easy to apply and clean with the two cloths included in the package, the protective film permits you to enjoy all the features of your Samsung Galaxy S10e without any difficulty. Moreover, thanks to its particular technical properties, this film **does not allow the formation of annoying bubbles** that often affect use of the smartphone. Flexiglass is the accessory that time **cannot scratch**.

Features:

- Material: Nano Fiber + TPU
- Anti-bubbles
- Flexible
- Quick and easy installation
- Thin and light
