Semi-rigid silicon case with velvet-effect interior for iPhone XS/X, red color

The perfect example of silicon's potential contained in the ***Polo One Cover***.

The case, designed for the **iPhone XS/X**, is inspired by Steve Jobs' famous phrase "*One more thing*".

This protector is innovative and surprising, practical and seductive, just like the technological innovations that Apple's famous mind presented at their *keynote*.

Polo One is marked out by its charm. Inside, the smartphone is nestled and protected by a velvet-effect touch microfibre lining. Holding this semi-rigid case in your hand will also be enjoyable: the silicon provides delicate tactile sensations.

The cover is very **easy to clean**: just use a damp cloth to maintain its beauty over time.

Lastly, Polo One surrounds the iPhone XS/X perfectly, leaving space free for the camera and connectors.

The perfect accessory to enhance and protect your device at the same time. A red-carpet dress for your smartphone.
