

Beat heart Fitness Tracker

SKU: TESPORBEATHEARTK

Fitness tracker with heart rate monitor, pedometer and calorie counter and sleep quality tracker, Go Life app, Bluetooth 4.1

A watch that shows the time and records the physical activity you do every day, monitors the steps you take, the hours you sleep, the calories you burn and your average heart rate.

This wearable device is synchronised with the free Go Life app, available for iOS and Android devices. Specially developed by SBS, the app allows you to collect and display data recorded by the clock during the day.

Also, you can directly activate the silent alarm and receive phone calls and incoming message notifications.

Features:

- Bluetooth v4.0
- Rechargeable battery integrated within
- Heart rate monitor, pedometer and calorie counter
- Sleep quality tracker
- Notifications of incoming calls and messages
- Synchronises the free Go Life app, compatible with iOS 8 and above and Android 4.3 and later.

This product uses the free Go Life app for iOS and Android. Download it for free from the [AppStore](#) and [Google Play](#).
