

## Magnetic car mount

SKU: TESUNSUPMAGK

### Mounting your smartphone has never been so quick and easy

#### MAGNETIC

This **car holder** features a **circular magnetic base** that firmly holds your smartphone in place.

The magnet attracts the **magnetic plate** included in the package. **The adhesive circular plate** affixes to your smartphone for optimum secure fastening.

Whether **horizontal or vertical**, your mobile phone will always be perfectly mounted.

#### FOR AIR VENTS

The handy **clip** at the back of the mount has **two openings: one narrow and one wide**. This feature **allows for clipping to any vent**. This makes sure the mount will not wobble or come off, guaranteeing maximum stability and safety.

#### COMPACT AND PRACTICAL

Being **small** and **easy to use**, it is the ideal accessory for taking anywhere, suitable for all needs. Whether you are car sharing, renting a car on holiday or use your car often every day for work, this mount is perfect.
