

Waterproof floating case for smartphones up to 5.5-inches

SKU: TEWATERFLOATUN55K

Waterproof floating case for any smartphone up to 5.5-inches, IPX8 certification, neck strap included, black color

WHY CHOOSE THIS WATERPROOF SMARTPHONE CASE?

This **waterproof case** is the ideal accessory to protect your smartphone at the beach. The **floating cover** resists water, sand, sunscreens and other atmospheric agents.

PRACTICAL AND SAFE

Take your smartphone with you to the beach and use it without worries. The case is equipped with **transparent touch film** that allows you to use all the functions of your device.

The smartphone case has a comfortable neck strap, so you can take selfies underwater and snorkel while still using your smartphone.

DO NOT RELY TO YOUR PASSION

The **IPX8** certified case allows you to dive up to three meters depth for more than an hour. In addition, the cover is resistant to a pressure of 10 bar exerted in all directions.

Use **all the features of your smartphone** at the sea or the pool to maximise your enjoyment.
