Extra slim wireless stereo headphones with adjustable and flexible headband, built-in microphone and answer button

WHY CHOOSE THEM?

Studio Mix Solo wireless headphones are the perfect accessory for any music-lover. Their elegant and modern design makes them instantly recognizable.

Listen to your music without sacrificing a sense of style.

COMFORT AND DESIGN

These cordless headphones have particularly compact dimensions and a unique aesthetic. Maximum comfort is guaranteed by the **adjustable** and **flexible headband**.

Thanks to the light materials used, you will hardly know you are wearing them. However you will always have an item with a **fashionable** and **original design**.

TECHNOLOGY AT THE SERVICE OF PASSION

Studio Mix Solo are equipped with keys that allow you **to answer calls immediately** and **adjust the volume of music**.

Tangled wires will no longer be a problem: **wireless technology** allows you to make use of all the headphones' features.

In addition, **universal compatibility** guarantees you can use them with any smartphone model.

ALWAYS WITH YOU

Listen to your favourite playlist with **unbeatable sound quality**: take these stereo headphones with you and, when the power runs low, recharge them via the USB cable included in the package.
